

Blues apply to join Football League

Wycombe drop a bombshell

Jacobs set for recall

WYCOMBE Wanderers dropped a football bombshell over the Easter holiday by applying to join the Football League next season.

This shock announcement, which will send reverberations around the non-league world, means that for the first time in their history Wycombe are aiming to join the elite.

Indeed it is also the first time an Isthmian League side has ever applied to join the Football League — and this brave decision could set a trend for the future.

Up until now, it has been assumed that only clubs from the Alliance Premier League could apply, but according to Wycombe secretary John Goldsworthy this is not the case.

"There is no tie-up between the Football League and any other league. There's nothing to stop any club applying," he said.

Mr Goldsworthy explained why, after 97 years, the club had finally got around to applying to join.

Remote chance

"The Isthmian League is really not going anywhere and we wanted a change of scenery. The Alliance, we considered would not be an option. In a general discussion about the future, we decided to apply for the Football League."

Their chances of gaining entry to the Football League, must be remote to say the least.

Before their application can go any further, Wycombe's ground and facilities must be examined by special Football League inspectors to see if they match up to the League's required standard.

This must be a major hurdle because Wycombe's Loakes Park ground is renowned for its slope and no other club in the Football League has a pitch like it.

The dressing room accommodation is good, but certain

improvements might have to be made to the press area.

There must be severe doubts as to whether Wycombe would pass this inspection, although Mr Goldsworthy defends the pitch by saying: "If you can't play on that surface, you can't play anywhere."

Even if they clear that hurdle, the chances of getting enough votes at the annual meeting must be remote. Even Altrincham, with

their exceptional non-league record, failed to beat strugglers Rochdale in a vote last year. There are no such obvious candidates to be thrown out of the League this time.

Mr Goldsworthy agrees the chances of election are slim. "Teams very rarely get in first time. But unless you try, you never know. But at least we will know where we stand, if we fail."

Wycombe's application

has received support from the Isthmian League, who can only benefit. If nothing else it shows that teams do not have to enter the Alliance to apply for the Football League.

A spokesman for the Football League said: "We shall treat Wycombe's application no differently from any other. We will write to them to ask for certain information and inspect their ground."

"If it is satisfactory then their application will go before the annual meeting. Why should we treat it any other way?"

Vircaus stars in friendly draw

Wealdstone 2, Wycombe 2

A HIGHLY promising performance by Wycombe's teenage central defender Anton Vircaus was the highlight of their drawn friendly match at Wealdstone on Tuesday night.

Vircaus, 19, showed plenty of skill at the back, as the weakened Wycombe side twice led before being pulled back by two rocket shots from Alan Cordice, formerly of Marlow and Chesham.

With both regular goalkeepers injured, Wycombe gave a game to young John Clarke from Broomwades, while both Steve Dexter and striker Andy Hunt were given full games.

Dangerous

After weathering severe pressure during the first 20 minutes when Vircaus stood out, Wycombe snatched the lead. Howard Kennedy's through ball found Glynn, who turned well to score a good goal.

But then just before half-time Alan Cordice, who formed a dangerous striking

partnership with his brother Neil, put the Alliance Premier League side level with a fierce volley past Clarke.

Wanderers, who made two substitutions, at half-time produced their best football during the third quarter and regained the lead through Andy Hunt, who nodded in a good goal from Terry Scott's well-placed cross.

But just when it looked as

though it would clinch victory, up popped Alan Cordice again to send in another fierce shot to give Wealdstone a draw in a well-contested match.

WYCOMBE: J. Clarke, S. Dexter, K. Mead (sub: P. Birdseye 45 mins), A. Vircaus, J. Jacobs, R. Dell, H. Kennedy, S. Long, A. Hunt, T. Glynn (sub: T. Scott 45 mins), K. Wilson (sub: T. Lee 75 mins).
Half-time: 1-1. **Scorers:** Wealdstone: A. Cordice 2 (41 mins, 77); Wycombe: Glynn (27), Hunt (58).

Reserves draw

Wycombe Reserves 2, Fleet Reserves 2

WYCOMBE Reserves looked to have done enough to take both points when they went into a 2-1 lead in the 87th minute on Saturday, but Fleet equalised.

Fleet had gone ahead in the Suburban League North Division fixture at Loakes Park in the 29th minute from the penalty spot after Tim Lee had brought down a player inside the area.

Wycombe equalised in the 77th minute when Gary Toll got the finishing touch to a move involving Nick Shrimpton and Andy Hunt. Vircaus looked to have sealed things in the 87th minute,

but a minute from time Fleet equalised.

WYCOMBE: C. Way, T. Lee, J. Jacobs, I. Rundle, A. Vircaus, S. Dexter, G. Marshall, M. Richardson, A. Hunt, G. Toll, N. Shrimpton. Sub: K. Stansbridge (not used).

WYCOMBE defender George Borg has been suspended for two weeks and so misses the last two matches in their late bid for the Berger Isthmian League championship.

Borg, booked ten times this season, therefore cannot play at Leatherhead tomorrow (Saturday) or at Bromley on May 2. He would have missed the Bromley game, in any case, as he is on holiday in the United States.

His left back position against Leatherhead seems set to be taken by Jimmy Jacobs, a mid-field player whose versatility has probably deprived him of several first team games. Skipper Paul Birdseye will stay at right back.

Reserve goalkeeper Chris Way is standing by, after Gary Lester reported injured with a back injury on Tuesday night. Way, himself, is recovering from a groin strain but should be fit to take over if necessary.

Otherwise Wanderers will be able to field the same side that battled back from behind to win 3-2 at Croydon on Saturday. Terry Scott scored twice and Mick Hollfield netted the other.

That victory allied to Slough's shock home defeat by Hendon really opened up the Premier Division championship race.

Mike Keen, who fears the threat from Enfield, said: "We'll just have to plug on by winning on Saturday and seeing what happens. But I'll be disappointed if we win our last two games and still finish outside the top two."
